## *Kindle Readers Coming to Whittier!*

This is VERY exciting news for our school! Whittier has 12 new Kindle readers that can be checked out from the library. Various popular titles that are in high demand at our school can be read on the Kindles! The Kindles can be checked out by 4th, 5th and 6th graders. The books on the Kindles are all chapter books so they will be most appropriate for these grade levels.

If a student wants to check out a Kindle, he or she needs to have a *special AUP* signed by their parent. We hope that the students will be very careful with our new Kindle resources since they are expensive pieces of equipment. But we are also very excited to be able to have students using electronic devices to further their love of reading.

one of the  
necessities of  
life.
